## PREMIUM AND RENEWABILITY INFORMATION

Your policy will stay in effect as long as you pay your premiums on time. You can choose to pay premiums monthly or every three months. Premium payments are due at the beginning of the period of time for which you are paying. You can always renew your policy at the premium rate in effect at the time of renewal. Your insurance will not lapse as long as you pay your premiums on time.

Blue Cross and Blue Shield of South Carolina can only raise your premium if we raise the premium for all policies like yours in this state. If premiums change, you will be notified at least 31 days before the change, but you will not have to pay more on a premium you have paid in advance. Note that your premium increases as you enter an older attained age group.

Rates may be reduced based on many factors that include, but are not limited to, Medigap Open Enrollment Period eligibility or guaranteed issue rights eligibility and underwriting considerations. Your rate may be higher or lower depending on these relevant factors. Until a policy is approved and issued your actual rates may be subject to change.

An additional 5% discount may apply when at least two or more members to reside at the same physical address and enrolled in a BlueCross BlueShield plan or Blue Choice.

## DISCLOSURES

Use this outline to compare benefits and premiums among policies.

### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all the rights and duties of both you and your insurance company.

### **Right To Return Policy**

If you find that you are not satisfied with your policy, you may return it to Blue Cross and Blue Shield of South Carolina, Individual Products, Post Office Box 61153, Columbia, SC 29260-1153. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments, provided you have not filed any claims.

### **Policy Replacement**

If you are replacing another health insurance policy, DO NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **Notice**

- This policy may not fully cover all of your medical costs.
- Neither Blue Cross and Blue Shield of South Carolina nor its agents are connected with Medicare.
- This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the *Medicare and You* Guide for more details.

### **Complete Answers Are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history (if applicable). The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and high deductible plan F.

**Medicare (Part A) — Hospital Services — Per Benefit Period**

\* A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

\*\*This high deductible plan pays the same benefits as Plan G after one has paid a calendar year \$2,700 deductible. Benefits from the high deductible Plan G will not begin until the out-of-pocket expenses are \$2,700. Out-of-pocket expenses for this deductible include expenses for the Medicare Part B deductible, and expenses that would ordinarily be paid by the policy. **\*\*NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any differences between its billed charges and the amount Medicare would have paid.

**Medicare (Part B) — Medical Services — Per Calendar Year**

\*\*\*\*Once you have been billed \$226 of Medicare-approved amounts for covered services (which are noted with an asterisk), your Part B deductible will have been met for the calendar year.

## **HOSPITALS WHICH ARE NOT CERTIFIED BY THE MEDICARE PROGRAM**

Some hospitals are not certified by the Medicare program. The Blue Select – Plan N will pay the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency. The Blue Select – Plan G with High Deductible will pay the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency, once the calendar year deductible has been met. The Blue Select – Plan L will pay 75% of the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency.

Emergency treatment or care means treatment or care for patients with unforeseen severe or life-threatening illness, injury or conditions that require immediate intervention to prevent death or serious impairment of your health or bodily function.

## **CONTINUATION OF COVERAGE**

Blue Select policies provide for continuation of coverage. If a Blue Select policy is discontinued, you can purchase, without evidence of insurability, any Medicare supplement contract offered by Blue Cross and Blue Shield of South Carolina which has comparable or lesser benefits and which does not contain a restricted network provision. A Medicare supplement contract is considered to have comparable or lesser benefits unless it has one or more significant benefits not included in the contract being offered.

## **GRIEVANCE PROCEDURES**

This statement will be presented to the Appeals Review Committee (or its designee) that will conduct a thorough investigation. The Appeals Review Committee is composed of the Medical Director of Blue Cross and Blue Shield of South Carolina, the Vice President of Group and Individual Operations and the Claims Supervisor for Individual Products. Formal notification of the findings of the investigation will be made in writing to all parties involved. You will receive a response within 30 days of the filing.

For grievances relating to quality of care or service concerns, you will be notified that action is being taken. You can contact the Director of Individual Products for information regarding disposition.

If medical records or other essential information is not received by Blue Cross and Blue Shield of South Carolina within 30 days, the grievance will be considered closed until the requested information is received. You will be notified that the grievance has been closed.

If there are special circumstances that require an extensive review, the final response will be made within 60 days of receipt of the grievance. You will be notified if additional time is needed to complete the response.
